A pop-up will appear similar to the pricing sheet above, click the blue "Close" button to proceed. Please be sure to have pop-ups enabled on our website to ensure a smooth ordering process. We recommend Internet Explorer 11, Firefox and Safari for the best experience.

On the left hand side of the screen you will see a list of custom packages. Click and check mark the shopping carts next to the package(s) you would like to order, and then click the blue "Print Order" button on the top right hand corner when ready to proceed.

You will be then be asked to login into the PlanWell system. If you forgot your User ID / Password there is an option to have it emailed to you. If you're a first time user, and paying with a credit card: click on the blue "Credit Card" button. Fill out all information accurately, and click the continue button. You will receive a randomly generated password you can use to login into the system at a later date. This login and password can also be used for other services on our website.

You will then be taken to the print options screen. Input any purchase order numbers, or any special ordering instructions here. When ready: click on the blue "Next" icon to continue onto the shipping screen. If the print order needs to go to another location, you can change the delivery address here.

After finalizing the shipping, you will be taken to the review page. You can double check the address, special instructions and purchase order numbers here. When ready to proceed click the blue "submit order" button. If paying by a credit card, you will be asked to input your information at that time.
